Laying of the Foundation Stone

Welcome to our program of celebration, reflection and artistic presentations.

The Elephant House Church has long been known for its welcoming congregation, artistic and sporting endeavours, Op Shop, Fair and extraordinary “presence” in the Community - and on the Cronulla skyline!

We hope you can look back and remember with fondness - and look forward and plan with enthusiasm for the next 75 years of this historic and unique Church and God’s work in our beautiful seaside town.
